**About The Smarter Web Company**

The Smarter Web Company offers web design, web development and online marketing services. Clients pay an initial fee, an annual hosting charge and an optional monthly marketing charge. Growth opportunities exist for The Smarter Web Company around these existing services.

In addition to organic growth, the Company will progress an acquisition strategy targeting other businesses with a view to growing its number of clients and / or recurring revenue. The Smarter Web Company will only make acquisitions where the Directors believe the timing and opportunity is appropriate.

Since 2023 The Smarter Web Company has adopted a policy of accepting payment in Bitcoin. The Company believes that Bitcoin forms a core part of the future of the global financial system and as the Company explores opportunities through organic growth and corporate acquisitions is pioneering the adoption of a Digital Asset Treasury Policy, including Bitcoin, into its strategy.
